

# I See You Everywhere

[Eric Chou](#)

I See You Everywhere  
I see you everywhere at where we use to be  
I see laughters I see fights that we don't mean  
I see you everywhere even in my dreams  
But I would wake up with no one next to me  
So would you come back to me  
Where everything are what we use to be  
Do you still think of me  
Cuz all I know and all I know this love is driving me crazy  
Oh I can't sleep I can't breathe  
Cuz all I see and all I see is you  
Oh I can't sleep I can't breathe  
Cuz all I need and all I need is you  
I see you everywhere at where we use to be  
I see laughters I see fights that we don't mean  
I see you everywhere even in my dreams  
But I would wake up with no one next to me  
So would you come back to me  
Where everything are what we use to be  
Do you still think of me  
Cuz all I know and all I know this love is driving me crazy  
Oh I can't sleep I can't breathe  
Cuz all I see and all I see is you  
Oh I can't sleep I can't breathe  
Cuz all I need and all I need is you  
Oh I can't sleep I can't breathe  
Cuz all I see and all I see is you  
Oh I can't sleep I can't breathe  
Cuz all I need is you
