

Unwritten (Manny Marroquin Mix)

Natasha Bedingfield

I am unwritten
Can't read my mind
I'm undefined
I'm just beginning
The pen's in my hand
Ending unplanned
Staring at the blank page before you
Open up the dirty window

Let the sun illuminate the words that you could not find
Reaching for something in the distance

So close you can almost taste it
Release your inhibitions
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins

The rest is still unwritten
Oh, oh, oh I break tradition

Sometimes my tries are outside the lines
We've been conditioned to not make mistakes
But I can't live that way
Staring at the blank page before you
Open up the dirty window

Let the sun illuminate the words that you could not find
Reaching for something in the distance

So close you can almost taste it
Release your inhibitions
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open

Today is where your book begins
Feel the rain on your skin

No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken

Live your life with arms wide open
Today is where your book begins
The rest is still unwrittenStaring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not findReaching for something in the distance
So close you can almost taste it
Release your inhibitions
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book beginsFeel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten
The rest is still unwritten
The rest is still unwrittenOh, yeah, yeah
