Calling Out (Radio Edit) [feat. Ryder]

Dyro

I find myself calling out to the universe,
Out, out, out, out, out,
I find myself calling out to the universe,
Out, out, out, out, out.I fill the sky with the cries of a lonely earth,
Raise my voice till there's noise up on Jupiter,
Out, out, out, out, out.I find myself calling out.I'm waiting for a greater force within me,
I'm diving down a deeper shore so empty,
I, I, I, I am floating,
The sky so loathing.
I find myself calling out to the universe,
Out, out, out, out, out,
I find myself calling out to the universe,
Out, out, out, out, out.
I fill the sky with the cries of a lonely earth,
Raise my voice till there's noise up on Jupiter,
Out, out, out, out, out.I find myself calling out.
