She wet that's a carpool  
Been in that water since a youngin you just shark food  
Quick Draw McGraw I went to art school  
Yeah the lights is bright but I got a short fuse

Don't snooze  
Been handling the game so long my thumb bruise  
Ya new girlfriend is old news  
Yeen got enough green and she so blue yeah

Everything is easy baby leave it up to Weezy Baby Put it in the pot let it steam let it brew  
Now watch it melt don't burn ya self I'm the Fireman

Ridin' by myself well really not really  
So heavy in the trunk make the car pop-a-wheelie  
Who? Weezy Baby or call me Young Baby  
My money 360, you only 180  
Half of the game too lazy  
Still sleepin' on me but I'm bout to wake em  
Yep! I'm bout to take em to New Orleans and bake em  
Yeah it's hot down here take a walk with Satan yeah  
Come on mama let The Carter make ya Toss ya like a fruit salad strawberry-grape ya  
They ball when they can and I'm ballin' by nature  
Addicted to the game like Jordan and Payton  
Yall in a race and me I'm at the finish line
