Dedicate This Heart

The Doobie Brothers

Michael mcdonald/paul anka
No more goodbyes
Or waitin' for some lucky day
No driftin' along
No walkin' away
What I feel inside
Ain't some idle game I play
This love is alive
And I'm here to stay
Here in your life
There in your heart
There by your side
That's where I want to be

It's plain to see
It's time for me to dedicate this heart
You've grown to be a part of me
So I dedicate this heart
In your name, baby
I hear the things that make me stay
And I realize what I want to say
It feels good inside
And I intend to stay that way
I won't deny what I found today
Here in your life
Here in your heart
There by your side
That's where I want to be
