

Discard Your Fear

Riverside

once
in the darkness
of bad memories
you stepped into a trap
but the spring loaded bar
didn't break your neck
and you remained there
waiting for the better time
life with your passivity
in the face of choices
forced you to turn back
settle with your lies
but the stubborn glass
doesn't want to talk to you
waiting for the better life
chair bound and bedridden heart
discard your fear of the unknown
be here and now
just find yourself within peace
try to free your mind
wake up
get unstuck
let it go
send your shame to nevermore your past
your distorted thoughts
closed you in the box
and cluttered up your head
hewn from happiness
in your fable town
you're still afraid of
starting of something new this life
discard your fear of the unknown
be here and now
just find yourself within peace
try to free your mind
wake up
let it go
try to free your mind
get unstuck

let it go
send the shame to nevermore
send the shame to nevermore
discard your fear of the unknown
be here and now
just find yourself in peace
try to free your mind
wake up get unstuck
let it go
send your shame to nevermore
let it go
scare away your fear no more
fear of new life

Fear of the days of the unknown
no more fear of love
