

Stars (X-Treme Extended Mix)

Roxette

You keep on walkin' on the other side
Other side, other side
You keep on walkin' on the other side
Other side, other side
Wherever you go, I'm going with you
Shouldn't you know I'm bound to follow
Whatever you say, whatever you do
I give you a clue, I'm gonna follow And the stars will show
Where the waters flow
Where the gardens grow
That's where I'll meet you Why don't you let me, let me come along
Na na na, na na na
Why don't you open, make me come along
Na na na, na na na
Wherever you go, I'm going for you
Oh, I was truly born to follow
Like fire and wood and paper and glue
Only a few were born to follow And the stars will show
Where the waters flow
Where the gardens grow
That's where I'll meet you
And the sun will glow
Melting all the snow
Knowing all I know
That's where I'll meet you Stars will show
Where the waters flow
Where the gardens grow
That's where I'll meet you
And the sun will glow
Melting all the snow
Knowing all I know
That's where I'll meet you And the stars will show
Every breeze will blow
Knowing all I know
That's where I'll meet you
