

Let Me Be Your Weakness (feat. BIXBY)

Julio Bashmore

Let me be your weakness
Treat me like a credit card
Let me be your weakness
I can tear your world apart You say your man fill orders
You say this all the time
Truth is you ain't happy now baby
And we both seem to know the reason why For some time I have been your addiction
When you break, I'm the drug you need
Some will say I'm the rule to your reflection
But there's a reason why you call me ecstasy Let me be your weakness
Treat me like a credit card
Let me be your weakness
I can tear your world apart
Let me be your weakness
Treat me like a credit card
Let me be your weakness
I can tear your world apart Don't need a lover, you don't need a friend
No one else tell them to be there till the end
Treat me like money, spend what you like
I love everything you need to make it right Don't want you ever look in mirrors retribution
I feel like you can't do it anymore
I don't always try to find ya with a solution
And always giving you what you've been looking for Let me be your weakness
Treat me like a credit card
Let me be your weakness
I can tear your world apart
Let me be your weakness
Treat like a credit card
Let me be your weakness
I can tear your world apart Let me be your weakness (Let me be your weakness)
Treat like a credit card (Treat like a credit card)
Let me be your weakness (Let me be your weakness)
I can tear your world apart Let me be your weakness (Let me be your weakness)
Treat me like a credit card
Let me be your weakness (Nah, nah, nah)
I can tear your world apart
