

# In the Heart of a Woman

Billy Ray Cyrus

She was all that I ever could've wanted her to be  
She always knew just how to give the best of love to me  
I thought I'd knew a thing or two about the ways of love  
But it was soon to become so clear, I didn't know enough  
One day I found a note beside the ring she'd left  
behind  
She said that here is all you need to know for better love next time  
Say your love is strong and true  
Let her know all she means to you  
Show her she's that special one  
Who shines in your life like a rising sun  
Give love less room to grow  
Treat her tender and you will know  
The secret to the treasures of a Heaven  
In the heart of a woman  
A bridge was burned and a lesson learned, I never will forget  
And for her timeless wisdom I'm forever in her debt  
Last night I heard a good friend say he finally found the one  
I told him to be sure these precious things weren't left undone  
Say your love is strong and true  
Let her know all she means to you  
Show her she's that special one  
Who shines in your life like a rising sun  
Give love less room to grow  
Treat her tender and you will know  
The secret to the treasures of a Heaven  
In the heart of a woman  
In the heart of a woman  
Say your love is strong and true  
Let her know all she means to you  
Show her she's that special one  
Who shines in your life like a rising sun  
Give love less room to grow  
Treat her tender and you will know  
The secret to the treasures of a Heaven  
In the heart of a woman  
Say your love is strong and true  
Let her know all she means to you  
Show her she's that special one  
Who shines in your life like a rising sun  
Give love less room to grow  
Treat her tender and you will know  
The secret to the treasures of a Heaven  
In the heart of a woman  
In the heart of a woman

In the heart of a woman  
In the heart of a woman
