

I Don't Know What's Going On

The Cure

I don't know what's going on
I am so up close to you
I don't know what's going on I don't know what's going on
I am so confused by you
I don't know what's going on Don't say anymore
To me at all
To me at all Don't say more
To me at all
To me at all I am so in love with you
With you, with you
I am so in love with you
With you, with you I don't know what's going on
I am so in deep with you
I don't know what's going on I don't know what's going on
I am so disturbed by you
I don't know what's going on Don't say anymore
To me at all
To me at all Don't say more
To me at all
To me at all
I am so in love with you
