

Closer Now

Keane

Believe you might stumble and come closer
I like to wake alone, to lie and turn to stone
Comfort me, come to me, I won't go on
I like to walk along, to keep my head screwed on
Well, I'm the best, so well done me, I won't go on
Believing, believing
I believe you might stumble and come closer now
If I stay then I'm alone, if I go then it will mean
Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
So you leave me on my own to live the pattern of my life
Believe you might stumble and come closer now
Make time to be all this and more for me
Well, you're the best, so well done you, I won't go on
Believing, believing
I believe you might turn from your love, wait around
If I go here I'm alone, if I stay then it will mean
Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
So you leave me on my own to live the pattern of my life
Believe you might turn from your love, wait around
If I stay then I'm alone, if I go then it will mean
Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
You just leave me on my own to live the pattern of my life
If I stay then I'm alone, if I go then it will mean
Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
So you just leave me on my own to live the pattern of my life
Believe you might stumble and come closer now
