I'm a Ghost

Fishboy

you have taken my face, now you gotta pay
and I won't hesitate again
there are a number of ways, to put you in the grave
but I will list my favorite ten
hide a bomb in your sink I could poison your peanut stash
put a bullet through your head, pump you full of lead
gas you in your bed at night
I could burn down your house, stop your heart with a mouse,
and without any doubt you won't see me around
cause a ghost ain't ever seen
and this is the way that I brush my teeth: I don't brush my teeth
this is the way that I bend my knees: I don't bend my knees
I don't have teeth and I don't have knees, I don't stand I float
I'm a ghost, I'm a ghost, I'm a ghostI could poke through your eyes as you sleep late at night
or an acid surprise it could be very nice
it could be so very niceand this is the way that I take you down, here's my final blow
I'll shock you till your on the ground and take the life you stole
and forever you will know you lost to one that lost the most
to a ghost, I'm a ghost, I'm a ghost
and this is the way that I brush my teeth: I don't brush my teeth
this is the way that I bend my knees: I don't even bend my knees
I don't have teeth and I don't have knees, I don't stand I float
I'm a ghost, I'm a ghost, I'm a ghost
