

Living in a Dream

ARC Angels

If you were mine
I'd give you all the world
If you were mine
I'd take you higher girl But you got me waitin'
Oh, you're so cold Give me time
And time is all we need
For God knows I've tried
I've tried to get you close to me But tonight
When my eyes are closing
You will be with me Just let me be, let me believe you're mine
'Cause there's nothing wrong here
I'm just living, living in a dream Without a sign
You brought me to my knees
Without a sign
I crossed the line, I beg for sleep But tonight
When my eyes are closing
You will be with me Just let me be, let me be me, you're mine
'Cause there's nothing wrong here
I'm just living, living in a dream Just let me be, let me believe you're mine
Just let me be, let me believe you're mine
'Cause there's nothing wrong here
I'm just living, living in a dream
