Wanna Know

Frankie J

Girl, I've been wantin'
For so long for you
Girl, I think I'm ready to get
To the bottom of the truthI'd seen you peepin'
At me way before
Way before me and my lady
Had to call it off, ohI didn't want to say a word
To you no, no
Wanted to make sure that everythin'
Was cool and not in the low, oh'Cuz I'm not the type of guy
To cheat on my girl, no I ain't
But shit was 'bout to hit the fan
Should of known that long ago soTake my hand
Let's get to know each other better
Let's begin
Somethin' good, so somethin' good
That we could treasureI wanna know
If you really wanna be with me
I wanna know
If you really got it bad for meI wanna know
If you're willin' to give everythin'
I wanna know
If you're down for anythin"Cuz I'm that type of man
That's down for his girl
Drama free, that's Guaranteed
And I give you my wordI'll give you all I have
Everythin' you want and more
Every little bit
That I can take from my soul yeahI'm just a simple man
That wants to be heard, yeah
Take it from my broken heart
And a lesson that's learnedSo I just need to know
How serious you are
Tell me if you really want this to
Go farTake my hand
Let's get to know each other better
Let's begin
Somethin' good, so somethin' good
That we could treasureI wanna know

If you really wanna be with me
I wanna know
If you really got it bad for meI wanna know
If you're willin' to give everythin'
I wanna know
If you're down for anythin'I really wanna know babe
If you're down wit me
I'm willin' to give you everythin'
And all you needWith you by my side
We can conquer the world, you know
If you need me
Just let me knowI wanna know
If you really wanna be with me
I wanna know
If you really got it bad for meI wanna know
If you're willin' to give everythin'
I wanna know
If you're down for anythin'I wanna know
If you really wanna be with me
I wanna know
If you really got it bad for meI wanna know
If you're willin' to give everythin'
I wanna know
If you're down for anythin'I wanna know
If you really wanna be with me
I wanna know
If you really got it bad for meI wanna know
If you're willin' to give everythin'
I wanna know
If you're down for anythin'I really wanna know
I wanna know
I wanna know
