

Now I Run

Shannon Noll

Mmmm Tell me how the circle ends
There's no beginning
Everything that came before
Will come round again
And I look in the mirror
My father's eyes look back at me Mmmm He gave me a road to choose
He gave me freedom
And I pray I'm strong enough
To walk in his shoes
And I, I hope that I become
Half the man he'd want me to be 'Cause I feel you guiding me
Showing me the way when I'm misdirected
I know you're not here but I feel connected [Chorus]
'Cause everything that I am
Comes from a better man
And all that I've said and I've done
Can't rewrite my history
Right there for all to see
I'm just my father's son
Taught me to walk, now I run
Now I run Sometimes when I lose myself
In my weakness
I can feel the touch of his
Unmistakable hands
And they're pushing me forward
Back into the circle again And I hope my son sees in me
The kind of man that he was to me [Chorus]
And everything that I am
Comes from a better man
And all that I've said and I've done
Can't rewrite my history
Right there for all to see
I'm just my father's son
Taught me to walk, now I
I run He's the best and the worst of me
Sometimes I don't know where my common sense is
I may be a sinner but my best defence is [Chorus]
Everything that I am
Comes from a better man

And all that I've said and I've done
Can't rewrite my history
Right there for all to see
I'm just my father's son
I'm just my father's son
Taught me to walk, now I run
