Human (OST FIFA`08)

Carpark North

You're so right and you don't think you're wrong
You're not on the list and you're in my songs
I did right to walk and just leave you there
cause no one can stand your fear of fearYou're so wrong, and still think you're right
I was too old to pick that fight
And I take you touch, just changed your day
I broke off with you cause you didn't change... MeYeah! Yes it's human
It's just human
You noticed
Yeah! Yeah just human
Did you notice?
Damn rightYou're so right and you don't think you're wrong
You're not on the list, you're not in my songs
I did right to walk and just leave you there
cause no one can stand your fear of fear(Metallic)
Yeah. Yes it's human
Yes it's human
You noticedYeah! Yes it's human
It's just human
You noticed
Yeah! Your just human
Did you notice?
Damn right!
