

The Space Between

Dave Matthews Band

You cannot quit me so quickly
Is no hope in you for me
No corner you could squeeze me
But I got all the time for you, love The space between the tears we cry
Is the laughter keeps us coming back for more
The space between the wicked lies we tell
And hope to keep safe from the pain But will I hold you again? These fickle, fuddled words confuse me
Like, will it rain today?
Waste the hours with talking, talking
These twisted games we're playing We're strange allies with warring hearts
What a wild-eyed beast you'll be
The space between the wicked lies we tell
And hope to keep safe from the pain But will I hold you again?
Will I hold? Look at us spinning out in the madness of a roller coaster
You know you went off like the Devil in a church
In the middle of a crowded room
All we can do, my love is hope we don't take this ship down But the space between where you're smilin' high
Is where you'll find me if I get to go
The space between the bullets in our fire
Is where I'll be hiding, waiting for you The rain that falls splash in your heart
Ran like sadness down the window into your room
The space between our wicked lies
Is where we hope to keep safe from pain Take my hand 'cause we're walking out of here
Oh, right out of here, love is all we need, dear The space between what's wrong and right
Is where you'll find me hiding, waiting for you
The space between your heart and mine
Is the space we'll fill with time The space between
The space between
