

# Guns For The Afghan Rebels

## Angelic Upstarts

Guns for the Afgan Rebels,  
And the rest the rest they've go to label  
The hammer and sickle seems so fickle  
When the tanks are rolling in They fight with muskets  
But never surrender  
The tanks are rolling in Taking guns to Afghanistan  
Taking guns to Afghanistan  
Taking guns to Afghanistan  
Taking guns to Afghanistan As the gold goes cold the rich are told  
There's rebel men and rebels boys  
Rebels with a cause Taking guns to Afghanistan  
Taking guns to Afghanistan  
Taking guns to Afghanistan  
Taking guns to Afghanistan Guns for the Afgan Rebels,  
Or the countries will start to tremble,  
Not the first not the last,  
As Afgan is trying to?? Taking guns to Afghanistan  
Taking guns to Afghanistan  
Taking guns to Afghanistan  
Taking guns to Afghanistan
