

Till Death Do We Party

Blood On The Dance Floor

don't dream it,
just be it i suffer dance fever
my flow will be reliever
knock you on your sneakers
there's blood on the speakers
this is how it goes this is how we roll
competition so vicious cut you throat and slash your tongue
back down before your done, oh no terror code, gonna shoot my hot load break down into the flip mode
cash flows and rhinestones I'm the king of lectrix
I'm the heathen let go im the star that glows

till,till,till,till death do we party till,till,till
till death do we party
till till till till death do we party lets start this dance party!
till till till till death do we party
till till till till death do we party lets start this death party!

Fuck me in the club light this bitch up
Fuck me in the dirt lift up my sexy skirt
Fuck me in the house and shake me all about
Fuck me in the car like a movie star
Fuck me in the rain, take away my pain
Fuck me in the escalade, windows up on this escape
Fuck me in the mall up against the wall
Fuck me in the church, make it fucking hurt

till till till till death do we party
till till till till death do we party till till till till death do we party
lets start this death party lets start this death party
till till till till death do we party!
