

# Save Me

Hanson

(verse 1) Loving you  
like I never have before  
I'm needing you  
just to open up the door if beggin you  
might somehow turn the tides  
then tell me to  
I've gotta get this off my mind I never thought I'd be speakin these words  
never thought I'd need to say  
another day alone is more than I can take (chorus)  
won't you save me?  
'cause saving's what I need  
I just wanna be by your side won't you save me  
I don't wanna be  
just driftin through the sea of life (verse 2) won't you listen please?  
baby don't walk out that door  
I'm on my knees  
you're all I'm living for I never thought I'd be speakin these words  
heaven thought I'd find a way  
another day alone is more than I can take (chorus)  
won't you save me?  
'cause saving's what I need  
I just wanna be by your side won't you save me  
I don't wanna be  
just driftin through the sea of life (bridge)  
suddenly the sky is fallin  
could it be too late for me?  
if I never said I'm sorry  
then I'm wrong yes I'm wrong  
then I hear my spirit callin  
wonderin' if she's longin' for me  
and then I know that I can't live without her (chorus)  
won't you save me?  
'cause saving's what I need  
I just wanna be by your side  
won't you save me  
'cause I don't wanna be  
just drifting through the sea of life won't you save me?  
won't you save me?  
won't you save me?
