

Countess Bathory

Vital Remains

Welcoming the virgins fair, to live a noble life
In the castle known to all - the Count's infernal wife
She invites the peasants with endless lavish foods
But, when evening spreads its wings, she rapes them of their blood

Countess Bathory

Countess Bathory

All day long the virgins sit and feast on endless meals
The Countess laughs and sips her wine - her skin doth crack and peel

But when nighttime fills the air one must pay the price

The Countess takes her midnight bath with blood that once gave life

Countess Bathory

Countess Bathory

Living in her self styled Hell, the Countess dressed in black

Life's so distant - death's so near - no blood to turn time back

The castle walls are closing in, she's crippled now with age

Welcomes death with open arms - the reaper turns the page
