

# No Bones

## Middle Class Rut

Hey babe, thought maybe  
Can't feel, not today  
Wish it didn't faze me  
Can't handle either way With life surrounded  
Entombed in war  
Don't lie to her  
No bones, no bones The vast expanses  
It can't be too grand  
To go together outside  
Hey babe, can't do it Can't put you there again  
Can't feel, can't go through it  
If there only was a way  
If there only was a way With life surrounded  
Entombed in war  
Don't lie to her  
No bones, no bones The vast expanses  
It can't be too grand  
Or I'll send them back
