

Times Like These

[Glen Campbell](#)

I, Im a one way motorway
I'm the road that drives away
Then follows you back homeI, Im a street light shining
I'm a wild light blinding bright
Burning off all aloneIt's times like these you learn to live again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these time and time againI, Im a new day rising
I'm a brand new sky
To hang the stars upon tonightI, Im a little divided
Do I stay or run away
And leave it all behind?It's times like these you learn to live again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these time and time againIt's times like these you learn to live again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these time and time again
