Irea

Sattas

I had to climb the highest mountain
I was on my own
And I had to walk through fire and rain
In my search for youIn my search for you
(I will search for you)I had to sail the seven seas
Into no man's land
And I found my place in history
Found out who I amFound out who I am
(Who am I?)Irea
I close my eyes and call your name
Irea
I pretend you're mine againI fall into you once again
Chasing memories
And I will live in cardinal sin
When you set me freeWhen you set me free
(Won't you set me free?)Irea
I close my eyes and call your name
Irea
I pretend you're mine againIrea
I need you here
Irea
Once you are gone I go insaneIrea
I close my eyes and call your name
Irea
And I pretend you're mine again
