

I Know What Prayer Can Do

[Jessy Dixon](#)

I know what prayer can do

I've found the answer in prayer,
I'll tell it everywhere;
I know, I know,
I know what prayer can do.

I know He'll see me through

Prayer will heal the sick,
Prayer will raise the dead;
I remember one day five thousand souls were fed.

Prayer, prayer, prayer changes things
I've been out,
Out on the stormy seas
I've been hungry,
I've been sick,
I've been filled with misery;
'Long came Jesus
Jesus rescued me.
