

# What About Now

## KIDZ BOP Kids

Shadows fill an empty heart as love is fading  
From all the things that we are but are not saying  
Can we see beyond the scars, make it to the dawn? Change the colors of the sky and open up to  
The ways you made me feel alive the ways I loved you  
For all the things that never died  
Make it through the night, love will find you What about now, what about today?  
What if you're making me all that I was meant to be?  
What if our love never went away?  
What if it's lost behind words we could never find?  
Baby before it's too late, what about now? The sun is breaking in your eyes to start a new day  
This broken heart can still survive with a touch of your grace  
Shadows fade into the light  
I am by your side where love will find you What about now, what about today?  
What if you're making me all that I was meant to be?  
What if our love never went away?  
What if it's lost behind words we could never find?  
Baby before it's too late, what about now? There is nothing to fear for I am right beside you  
For all my life I am yours What about now, what about today?  
What if you're making me all that I was meant to be?  
What if our love never went away?  
What if it's lost behind words we could never find?  
Baby before it's too late, what about now?
