

# Fight Your Demons

## More Than a Thousand

I can't fall asleep

My life is upside down

Every day is exactly the same

Everyone tells me I've got nothing to give Well, fuck that! I'm giving everything I've got

I'm everything I always wanted to be

And I know this is what you wanted

So fuck you

You can't take this from me

You can't take this away from me I wanna know why is everyone against me

I wanna know what has happened to my friends

Why do I feel like the world is against me?

Am I really on my own?

Have I been waiting for something that will never come?

Will never come I know I could be dead by the end of the day

And I know this is what you wanted

But I'm not sinking down

Fear is just a lie that kills me inside Let's fucking go I'm giving everything I got

Give it up

Give it up

Let's go

Fuck you

I'm giving everything I've got

Until you lose Won't let you sink me down

I wanna know why is everyone against me

I wanna know what has happened to my friends

Why do I feel like the world is against me?

Am I really on my own? Have I been waiting for something that will never come? I can't fall asleep

My life is upside down

Every day is exactly the same

Everyone tells me I've got nothing to give Well, fuck that! I'm giving everything I've got

I'm giving everything I've got

Fuck you

You can't take this from me
