

Stay High

Hippie Sabotage (Tove Lo Flip)

Staying in my play pretend
Where the fun ain't got no end
Staying in my play pretend
Where the fun ain't got no end
Staying in my play pretend
Where the fun ain't got no endCan't go home alone again
Need someone to numb the pain
Can't go home alone again
Need someone to numb the pain
Can't go home alone again
Need someone to numb the painStaying in my play pretend
Where the fun ain't got no end
Can't go home alone again
Need someone to numb the painYou're gone and i got to stay high
All the time
High ..all the time
to climb, too high
High ..all the time
to climb, too high
High.. all the time
To keep you off my mind
(ooh ooh)
High.. all the time
to climb, too high
High.. all the time
to climb, too high
High.... all the time
To keep you off my mind
(ooo ooo)Staying in my play pretend
Where the fun ain't got no end
Staying in my play pretend
Where the fun ain't got no end
Staying in my play pretend
Where the fun ain't got no endCan't go home alone again
Need someone to numb the pain
Can't go home alone again
Need someone to numb the pain
Can't go home alone again
Need someone to numb the painStaying in my play pretend

Where the fun ain't got no end
Can't go home alone again
Need someone to numb the pain You're gone and i got to stay high
All the time
High ..all the time
to climb, too high
High ..all the time
to climb, too high
High.. all the time
To keep you off my mind
(ooo ooo)
High.. all the time
To climb, too high
High.. all the time
To climb, too high
High.... all the time
To keep you off my mind
(ooo ooo)
