Up from a Sub 60 Feet Below

U.S. Marines

Up from a sub 60 feet below
We scuba to the surface and we're ready to go
Back stroke, side stroke to the shore
We hit the beach and were ready for war
KA-BAR, grease gun by my side
These are the tools that commies die by
Singin' hooyah-ay
Runnin' day
Singin' hooyah-ay
Just another runnin' day
