Stroganoff, bouillabaisse

Here we go... No, you'd better leave the lights on, on stage

'cause we have to read this music,

We've never played it before Aavan meren tuolla puolen jossakin on maa,

Miss onnen kaukoraantaan laine liplattaa.

Miss kukat kauneimmat luo aina loistettaan,

Siell huolet huomisen voi jÃ¤hdÃ¤n unholaan. Oi jospa kerran sinne saturnaahan kÃ¤ydÃ¤ vois,

Niin sieltÃ¤ koskaan lÃ¤htisi en linnun lailla pois.

Vaan siivetÃ¤nn en voi lentÃ¤ vanki olen maan,

Vain aatoksen mi kauas entÃ¤ sinne kÃ¤ydÃ¤ saan. LennÃ¤ laulu sinne missÃ¤ siintÃ¤ saturnaa,

Sinne missÃ¤ oma armain mua odottaa.

LennÃ¤ laulu sinne lailla linnun liitÃ¤vÃ¤n.

Kerro ettÃ¤ aatoksissain on vain yksin hÃ¤n. Oi jospa kerran... Translation of the first two Finnish verses: There's a

land beyond the vast sea

Where waves wash on the shores of happiness

Where beautiful flowers always blossom

Where worries of tomorrow can be forgotten Oh if once I could go to that fairytale land

Never would I leave from there like a bird

But without wings I cannot fly, I'm a prisoner of ground

Only in thoughts that reach so far can I ever there be
