

Sexy Love

Anneli Drecker

I know your kind, I know your score
One foot in sea and one on shore
I see you now, I feel you now
And I just want you more and more
Must be love
Sexy love
Oh, diorific plastic shine
Oh, won't you kiss these lips of mine?
I see you now, I feel you now
Oh, honey, won't you be so kind
Must be love
Sexy love
All this lifetime
What's it for
If not for us to share anymore?
