Attitude Dance

Tower Of Power

If you're feeling kinda shy
Don't even want to try
Your dancin can improve
With a little attitude
And the attitude dance
And the
If you're feeling kinda low
don't' even want to go
Even if you change your mood
With a little attitude
In the attitude dance
In the attitude danceGet a grip
Just cop an attitude trip
Get a groove
You need some attitude
Move your feet
Go ahead and feel the beat
What you do is up to you
Once you begin to compete
In the attitude danceIf you want to shake your hips
It don't have to be no trip
Break down and bust a moveIn the attitude dance
In the attitude danceIf you want to throw a shake
Don't make a great escape
Adjust your point of view
Just add some attitude
In the attitude dance.Get a grip
Just cop an attitude trip
Get a groove
You need some attitude
Move your feet
Go ahead and feel the beat
What you do is up to you
Once you begin to compete
In the attitude danceIf you getting in the swing
You can really do your thing
And become the baddest dude
With the meanest attitude
In the attitude dance

In the attitude danceIf you've got a certain style
Even if it's kinda wild
Most anything will do
With the proper attitude
In the attitude dance
In the attitude danceGet a grip
Don't cop an attitude trip
Get a groove
You need some attitude
Move your feet
Go ahead and feel the beat
What you do is up to you
Once you begin to compete
In the attitude dance
In the attitude danceWhat it gonna be like, when you begin
What it gonna be like
