

I Like Drinking, Cause It's Fun

Chase Rice

Cold Corona under palm trees
And Coca Cola in my Jack be
Margarita with guacamole
A couple olives in my Martini

I like drinkin'™, 'cause it's fun
I like drinkin'™ in the evenin'™ and drinkin'™ in the sun
You like drinkin'™, grab you one
I like drinkin'™, 'cause it's fun

Pour me one

Chardonnay and candle light
A shot of fire ball, chase it down with Bud Light
Strawberry moonshine by a bonfire
Redbull and vodka make this party high

I like drinkin'™, 'cause it's fun
I like drinkin'™ in the evenin'™ and drinkin'™ in the sun
You like drinkin'™, grab you one
I like drinkin'™, 'cause it's fun

Pour me one

Bartender, I've been waitin'™ all day, hurry up

It ain't™ too complicated
I'll take it how they make it
On the beach, or on the lake
Fully clothed or but naked

I like drinkin'™, 'cause it's fun
I like drinkin'™ in the evenin'™ and drinkin'™ in the sun
You like drinkin'™, grab you one
I like drinkin'™, 'cause it's fun

I like drinkin'™, 'cause it's fun
I like drinkin'™ in the evenin'™ and drinkin'™ in the sun
You like drinkin'™, grab you one
I like drinkin'™, 'cause it's fun

Pour me one
Or two, two, three? Yea yea three three three
Thatâ€™s all?
Why not?

One shot, two shot, three shot, four!
Five shot, seven and Iâ€™ll take one more
I like drinkinâ€™
Because itâ€™s fun
