Good Thing Going

Sugar Minott

Bad news, bad news
I heard you're packing to leave
I come running right over
I just couldn't believe it
I couldn't believe itOh baby, baby
You must be out of your mind
Do you know what you're kicking away
We've got a good thing goin', baby
We've got a groovy thingI've never done you no wrong
I never hit you when you're down
I always gave you good thing
I never ran around
I never ran aroundOh baby, baby
You must be out of your mind
Do you know what you're kicking away
We've got a good thing goin', baby
We've got a groovy thingThere's something you ought to know
If you're fixing to go
I can't make it without you
No no no no, no no no no
No no no no, no no no noOh baby, baby
You must be out of your mind
Do you know what you're kicking away
We've got a good thing goin', baby
We've got a groovy thingWe've got a good thing goin', baby
We've got a groovy thing
