Apologetic Theory

Finch

Everything I'm saying is coming out all wrong,
Please bear with me
I've got so much to say
Let me explain myself to you
Forgive me, forgive me not
I'm sorry for what it's worth, I know I'm wrong
Can't you see I'm still me
Are you listening?
Nothing I can say will make this right
Just give it time

Why can't I spit it out?
I need relief
Your sympathy
Forgive me, forgive me not
I'm sorry for what it's worth, I know I'm wrong
Can't you see I'm still me
Are you listening?
I'm sorry for what it's worth, I know I'm wrong
Can't you see I'm still me
Are you listening?
