

The River of People

Love And Money

Sometimes I feel that I'm just wishing my life away
I wish that things could change with absolutely no delay
Lovers look as though they're in Eden when they kiss
I believe it's true what they say, ignorance is bliss

I punish myself
I've done no wrong
Believe this world will take my hand
And it won't be long
When the stars fall down
And I fall in love

All I want to do is flow
With the river of people
The bottom of my wishing well
Is an ocean of steel
In my dreams I go
To the river of people
Help me, help me to
Make my dreams come true

I could tell you how but I could not tell you why
I've been sold fool's gold
And bought all the things that money can't buy
Believe that once I was in love with a pretty girl

She never broke my heart
I broke my heart myself
I've waited so long
For the sun to shine
Thought that I just might be wrong
Blue and I
Don't tell me your dreams
Cause I don't want to know

All I want to do is flow
With the river of people
The bottom of my wishing well
Is an ocean of steel
In my dreams I go

To the river of people
Help me, help me to
Make my dreams come true
Help me, help me
Help me, help me

I've been to paradise and I don't like what I've seen
The things I thought were so sweet before that night has been
Life can be so cutting, life can be so cruel
I believe that life has left me stepping on a monkey stool

I punish myself
Well, I've done no wrong
Believe this world will take my hand
And it won't be long
When the stars fall down
And I fall in love

All I want to do is flow
With the river of people
The bottom of my wishing well
Is an ocean of steel
In my dreams I go
To the river of people
Help me, help me to
Make my dreams come true
Help me, help me to
Make my dreams come true (Repeat x4)
All I want to do is flow
With the river of people (Repeat x4)

Help me, help me
Help me, help me
