

# Great Big Kiss

## Johnny Thunders & The Heartbreakers

Here comes my girl  
Walking down the street  
Look how she walks  
She's got a dancing beat  
Big wavy hair  
A little too long  
All day long  
She's singing a song And when I see her in the street  
My heart takes a leap and skips a beat  
Gonna walk right up to her  
Give her a great big kiss Tell her that I love her  
Tell her that I care  
Tell her I'll always be there  
Hey, what color are her eyes?  
I dunno, she always wears shades  
Hey, is she tall?  
Well, I gotta look up  
Yeah, well, they tell me she's bad  
She's good bad, but she's not evil Bought myself a sweater  
Thought it match her eyes  
Dirty fingernails  
Oh boy, what a prize  
Tight khaki pants  
High button shoes  
She's always looking  
Like she's born to lose And when I see her in the street  
My heart takes a leap and skips a beat  
Gonna walk right up to her  
Give her a great big kiss  
Tell her that I love her  
Tell her that I care  
Tell her I'll always be there  
Tell her I'll always be there  
Tell her I'll always be there  
Oh, what the hell Is she a good dancer?  
Waddya mean, is she a good dancer?  
Well, how does she dance?  
Close, very, very close
