

# If You Can't Hang

## Sleeping with Sirens

Met a girl at seventeen  
Thought she meant the world to me  
So I gave her everything  
She turned out to be a cheat  
Said she'd been thinking for a long time  
And she found somebody new  
I've been thinking that this whole time Girl, I never thought you'd stay, that's okay  
I hope he takes your filthy heart  
And then he throws you away someday Before you go, there's one thing you oughta know If you can't hang then  
there's the door, baby  
If you can't hang then there's the door, baby  
If you can't hang then there's the door, baby  
If you can't hang then there's the door I don't wanna take your precious time  
'Cuz you're such a pretty, pretty, pretty, pretty face  
You turned into a pretty big waste of my time I don't wanna take up all your time  
You're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time You're the lowest type, you're the lowest. I met a girl stuck in  
her ways  
She found a boy she knew she'd change  
I'd change my clothes, my hair, my face  
To watch us go our separate ways Said we'd grown apart for sometime  
But then she found somebody new  
I hope Mr. Right puts up with all the bullshit that you do Stay the hell away  
While I sit here by myself  
Figure out how I got this way Before you go, there's one thing you oughta know If you can't hang then there's  
the door, baby  
If you can't hang then there's the door, baby  
If you can't hang then there's the door, baby  
If you can't hang then there's the door I don't wanna take your precious time  
'Cuz you're such a pretty, pretty, pretty, pretty face  
You turned into a pretty big waste of my time I don't wanna take up all your time  
You're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time I don't wanna get this confused  
She said she'd never settle for some boy she couldn't use Now I gotta call the doctor  
So he can prescribe me medication  
So I can deal with all the memories  
Of being here this way Met a girl at twenty-three  
Knew she meant the world to me  
So I gave her everything

And she did the same for me (Imagine that!) 'Cuz you're such a pretty, pretty face  
No, you're such a pretty, pretty face Whoa...  
Yeah... 'Cause you're such a pretty, pretty face  
No, you're such a pretty, pretty face I don't wanna take your precious time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time I don't wanna take up all your time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time Would you please stay and come inside, baby?  
Would you please stay and please be mine, baby?  
Would you please stay and come inside, baby?  
Would you please stay and please be mine?
