On My Way Home

Sophie Barker

Going down this road again
Been here many times before
Stretch my legs and breathe the air
Rollercoaster of timeAnd it feels like snow in summertime
And it feels like warmth in wintertime
And it feels like I have lost my mind this time
I'm on my way homeFalling off the tight rope in the sky
I can barely see I'm feeling so high
Gods and angels walk this world
Softly speaking slowly the unspoken wordAnd it feels like snow in summertime
And it feels like warmth in wintertime
And it feels like I have lost my mind
