Stratovarius

I'm waiting for the rain now
To settle the dusty air
Clearing up my emotions
Facing it all if I dareI've been thinking, I've been trying
But I've always been denying
Wasted days are still inside of me
It's time to set them freeWhy can't we see what is going on
There are not so many years to be wasted
Until the damage is done and the beauty is goneSave our souls, what is the price we will pay?
Save our souls, do we have nothing to say?Why can't we see what is going on
There are not so many years to be wasted
Until the damage is done and the beauty is goneWhy can't we see what is going on
There are not so many years to be wasted
Until the damage is done and the beauty is goneSave our souls
