

Happy 2 Be

Iain Mannix

Get it into your head
I'm not yours cause you ain't my dad
Got a code on back that reads nine
Your nails shoot up my spine

Push my chest down slowly
Feel the rush of air as we rise

Happy 2 Be Alive

Know your place in my head
I'm not yours no my thoughts are red
Don't like dreams cause they are not mine
My code dictates what I like

Push my cheeks down slowly
Feel the rush of air as we rise

Happy 2 Be Alive
