

Wear My Kiss

Sugababes

Da da da da da da da ba da da da da da da da da
I'm like the tie, around your neck
I'll make you look so good in it.
I'm like the watch, around your wrist
Just wind me up and watch me tick tock tick
I'm just a pretty little thing that'll make you wanna sing (ahhhh)
Make you wanna buy a ring, I'm not tryin' to settle down
I just wanna play around, boy
You wanna temporary tattoo, don't you?
You wanna wear my kiss all over your body
Won't you try it on?
You can't live without it
You wanna wear my kiss all over your lips
I promise you this
You wanna wear my kiss
Da da da da da da da Ba da da da da da da da da (Kiss)
Da da da da da da da Ba da da da da da da da da (Kiss)
I'm like your shoes, you like to wear
Someone step on 'em there's gonna be a fight in h-h-h-h-here
So show me off, bring me around
I'm like the last piece on a mannequin
Just take me down
I'm just a pretty little thing that'll make you wanna sing (ahhhh)
Make you wanna buy a ring, I'm not tryin' to settle down
I just wanna play around, boy

You want a temporary tattoo, don't you?
You wanna wear my kiss all over your body
Won't you try it on?
You can't live without it
You wanna wear my kiss all over your lips
I promise you this
You wanna wear my kiss
Da da da da da da da Ba da da da da da da da da (Kiss)
Da da da da da da da Ba da da da da da da da da (Kiss)
You wanna pucker up so less I hit the dope
This kiss is lethal boy there aint no antidote
Just ask around about me, everybody knows
My lipstick, make-up, steal the show

Da da da da da da da da
Yeah, and when i aim everybody hit the floor
Da da da da da da da da
My sexy thrill, shoot to kill
You wanna wear my kiss all over your body
Won't you try it on?
You can't live without it
You wanna wear my kiss all over your lips
I promise you this
You wanna wear my kiss
Da da da da da da da da Ba da da da da da da da da (Kiss)
Da da da da da da da da Ba da da da da da da da da (Kiss)
