Let Me In

Anthony David

Ah, ah, oh yeah
Let me in, oh
Oh, yeah
You're gonna be a really hard egg to crack
The more you try to resist, the more I keep wantin' that
You got that ADT on your heart, it keeps stoppin' before you start
Givin' me the run around, feelin' like I'm on a track
How long you're gon' keep me knockin' at your door?
(How long?)
How long you're gon' keep on treatin' me like
I'm the one that hurt you before?
How long you're gon' keep me standing in the cold?
(How long?)
How long before you let me in your soul?
Let me in, won't you?
(Let me in)
Let me in, yeah
(Let me in)
Tell me when you gonna
(Let me in)
Let me in, oh
(Let me in)
Seems there's always a mountain to climb
Seems like I'm always telling myself, gonna take a little more time
Sendin' mixed signals and it's keepin' me in confusion
Please don't keep makin' excuses
How long can you just let time keep slippin' away?
(How long?)
How long you're gon' keep our future from being today?
How long you're gon' let our flight keep gettin' delayed?
(How long?)
How long you're gon' keep us from havin' it made?
(What do you say?)
Let me in, oh
(Let me in)
Let me in, oh
(Let me in)
Let me in
(Let me in)

Let me in, oh, whoa
(Let me in)
See it on my face, I can't even hide it, baby
What's it gonna take for you to make your mind up, girl?
Should I walk away, am I wastin' time here, baby?
I don't wanna wait forever
Won't you let me in, won't you let me in?
('Cause I need you)
Won't you make your mind up, baby?
(I've got to have you, baby)
Are we wastin' time here, baby?
Won't you let me in?
(Don't you see it in my face, baby?)
Won't you make your mind up, baby?
(Tell me how long)
Are we wastin' time here, baby?
Won't you let me in?
(Just wanna love you)
Won't you make your mind up, baby?
(Just let me in)
Are we wastin' time here, baby?
Won't you let me in?
Won't you make your mind up, baby?
