Maybe This Time

Sarah Blasko

When I wake up in the morning
And you're with me, I see you lying right there
I get the feeling we're going somewhere
And I like it
And though I've hurt before
I want to be a part of everything you are and long to beMaybe this time
Maybe this time
I'll be in luck
Maybe this time my love will be true
Copy, paste, robots, i'm so tired of them
Feeling so strong now you're with me
I can take on whatever comes my way
I'm seeing this so clearly these days
I'm only hopeful
Although I've hurt before
I want to be a part of everything you are and long to be
Maybe this time
Maybe this time
I'll be in luck
Maybe this time my love will be trueMaybe this time
Maybe this time
I'll be in luck
Maybe this time my love will be trueIt's beautiful now we've reached the top
It's beautiful now we've reached the top
My love for you won't ever stop
My love for you won't ever stopIt's beautiful now we've reached the top
So beautiful now we've reached the top
My love for you won't ever stop
My love for you won't ever stop
Maybe this time (oh maybe this time)
Maybe this time (oh maybe this time)
Maybe this time (maybe this time)
Maybe this time
