In Your Eyes (Radio Edit)

Tesla Boy

hey, tell me what's going on
you're in my skin
my flesh and bonehey, what have you done to me
you bring me down
right to my kneesIn your eyes
I try
to confine
my moan
in your eyes
i'm tied
burning deep insidehey, tell me how does it feel
when you unleash
beast of your whimshey, I wish it never ends
till safety code
will break your danceIn your eyes
I try
to confine
my moan
in your eyes
i'm tied
burning deep inside
