

The Horizon Has Been Defeated

Jack Johnson & Ben Harper

The horizon has been defeated
by the pirates of the new age
alien casinos
well maybe it's just time to say
things can go bad
and make you want to run away
but as we grow older
the troubles just seems to stayfuture complications
in the strings between the cans
but no prints can come from fingers
if machines become our hands
and then our feet become the wheels
and then the wheels become the cars
and then the rigs begin to drill
until the drilling goes too far
things can go bad
and make you want to run away
but as we grow older
the horizon begins to fade, fade, fade
fade awaythingamajigsaw puzzled
anger don't you step too close
because people are lonely and only
animals with fancy shoes
hallelujah zig zag nothing
misery it's on the loose
because people are lonely and only
animals with too many tools
that can build all the junk that we sell
sometimes it makes you want to yell
things can go bad
and make you want to run away
but as we grow older
the horizon begins to fade away
fade away
fade, fade, fade
fade, fade, fade
