

# When I Needed You (melancholic

## Erasure

I'd like to be a child again  
So many things to do  
Playground noise, and colored toys  
And everything brand new I'd like to be a pirate ship  
In search of hidden gold  
On ocean waves that swim away  
And sail around the world Where, where were you  
When I needed you most  
When I needed a friend  
Where, where were you  
When I needed you most  
When I needed a friend I'd like to be a soldier  
A general I would be  
In battle and in glory  
With ten thousand men to lead I could be most anything  
There is so much to see  
I'd live a different story  
If you were next to me Where, where were you  
When I needed you most  
When I needed a friend  
Where, where were you  
When I needed you most  
When I needed a friend Where, where were you  
When I needed you most  
When I needed a friend  
Where, where were you  
When I needed you most  
When I needed a friend I could be most anything  
There is so much to see  
I'd live a different story  
If you were next to me Where, where  
Where, where were you  
When I needed you most  
When I needed a friend  
Where, where were you  
When I needed you most  
When I needed a friend
