

# Rhumboogie

Bob Zurke

All Harlem's got a brand new rhythm  
And it's burning up the dance floors  
Because it's so hot They took a little rhumba rhythm  
And they added boogie woogie  
And now look what they've got Rhumboogie, rhumboogie woogie  
It's Harlem's new creation  
With a Cuban syncopation  
It's a killer Rhumboogie, rhumboogie woogie  
The native rhythm haunts you  
It's barbaric and it taunts you  
It's a killer Just plant your both feet on each side  
Let both your hips and shoulders glide  
Then throw your body back and ride There's nothing like rhumboogie, rhumboogie woogie  
In Harlem or Havana  
You can kiss the old Savanna  
It's a killer {Oh, beat me daddy, eight to the bar} Rhumboogie, rhumboogie woogie  
It's Harlem's new creation  
With a Cuban syncopation  
It's a killer Rhumboogie, rhumboogie woogie  
The native rhythm haunts you  
It's barbaric and it taunts you  
It's a killer Just plant your toes and both feet on the side  
Let both your hips and shoulders glide  
Then throw your body way back and ride  
Think a little of, the rhumba The boogie, the woogie  
Then put them, both all together  
You have rhumboogie  
Then all together sing rhumboogie Rhumboogie woogie, rhumboogie  
In Harlem or Havana  
It'll kiss the old Savanna  
It's a killer, it's a killer this rhumboogie Rhumboogie, rhumboogie  
Rhumboogie woogie woogie woogie woogie  
Do do do do diddleyada do diddleyada do do dee  
There's nothing like rhumboogie
