

# Birds

**Kathryn Williams**

(Neil Young)Lover,  
There will be another one  
Who'll hover  
Over you beneath the sun  
Tomorrow  
See the things that never come  
TodayWhen you see me  
Fly away without you  
Shadow on the things you know  
Feathers fall around you  
And show you the way to go  
It's over, it's over.Nestled  
In your wings my little one  
This special  
Morning brings another sun  
Tomorrow  
See the things  
That never come  
Today
