

Christ In Me

The School of Worship

Christ in me the hope of Glory
He has come to set the captives free
This power and love displayed for all to see
It's Christ in me the hope of glory

All glory and honor belong to You
All glory and honor belong to You

We lift You up, higher and higher
We shout as one, Your holy choir
We proclaim that you are God

There is no one like our God
There is no one like You
